Singapore, 11 March 2021 – The Place Holdings Limited (“The Place Holdings”, the “Company” or “天阶控股” and together with its subsidiaries, the “Group”), is pleased to announce that it has entered into a Shareholders’ Agreement with MCC Land (Singapore) Pte. Under the Shareholders’ Agreement, MCC Land will participate a 30% equity stake in the project company that is developing the mixed development project. The Place Holdings will continue to hold a 51% equity stake and the remaining equity stake of 19% will be held by Sun Card Limited.

As the freehold property is located within the Anson precinct, it is entitled to bonus plot ratios of between 25% and 30% if there is a change of use under the Central Business District (CBD) Incentive Scheme initiated by the Urban Redevelopment Authority of Singapore in 2019.

Aligned with the key objectives of the strategic framework agreement between The Place Holdings and MCC Land signed in December 2020, it has led to two property collaborations, the first being MCC Land's mixed development project next to Tanah Merah MRT Interchange.

Mr Ji Zenghe (吉增和), Executive Chairman of The Place Holdings, said, “Our freehold development at 15 Enggor Street provides an unique opportunity to conceptualise a differentiated mixed-use property in the CBD area with our combined experience and capabilities.

We are strong believers in the long-term potential of Singapore property market and continue to see strong fundamentals which are driven by political stability, pro-business environment and robust legal system.

We look forward to exploring more strategic collaborations that can provide new growth opportunities in Singapore and across Asia.”
